

WELCOME!

In this document we have tried to gather the practical information you might need before and during your stay at Lademoen Kunstnerverksteder (LKV).

ARRIVAL

The address is Mellomveien 3abc, 7067 Trondheim

If you arrive by air you can either take the bus to 'Buran' or the train to 'Lilleby'

If you arrive by regional train to the central station these options are also valid, or if you don't have too much luggage you can walk (20 minutes).

INTERNET

Network: LKV_AiR

Password: Madame8Avviksboring4

If there are problems with the wifi: Pull out the power for the router (2nd floor, left side of building) for 15 sec. If this does not work, call Telenor (the provider) on +47 915 09 000. LKV org no: 981412583, address: Mellomveien 3c

OFFICE HOURS

The office is open Monday – Wednesday, 10:00 – 14:00.

You can contact the office at mail@lkv.no, or by phone on +47 484 39 356.

For urgent matters outside office hours, text Rebeka on +47 413 35 464

WORKSHOPS

To use the workshops you need to get an introduction. Contact Rebeka to make an appointment with the workshop manager.

ESSENTIAL SHOPS

- Bunnpris Buran – closest supermarket, but not the cheapest one
- Rema 1000 Solsiden – cheapest supermarket (has a Sunday open kiosk)
- Vitusapotek Solsiden – closest pharmacy
- Clas Ohlson Solsiden/City Lade – all kinds of practical stuff
- Østerlie Kunst & Farge AS – professional art supplies
- Obs BYGG City Lade – building materials etc

LOCAL TRAVEL

You'll get far using the local bus and trains. Download the app 'AtB' to plan your travel and buy tickets. The local city bike app is called 'Trondheim Bysykkel'.

APARTMENT

The apartment is fully equipped with bed sheets and towels, cooking supplies (including a french press, kettle, pots and pans and a hand blender). Please do not remove anything from the apartment during your stay.

And remember that it is strictly forbidden to smoke inside.

CLEANING

Laundry room

Downstairs, on the south/left side of the building you will find a laundry room, feel free to use it as needed. You will find detergents next to the washing machine.

Remember to remove your clothes from the machine when they are done. If your clean clothes are left in the washing machine, the cleaner will put the clothes in a plastic box on top of the machine.

You will also find what you need to keep the apartment clean during your stay here, including a vacuum cleaner. The items in the laundry room are for all tenants and the cleaner, so remember to put any equipment you borrow back as soon as possible.

In the apartment:

Under the sink in the bathroom, you will find hand soap, toilet paper and cleaning products for the bathroom, next to the toilet you will find toilet cleaner. Please replace these when they are empty.

There is an extra set of sheets and towels in the dresser, and extra kitchen towel and kitchen cloth in the closet under the sink in the kitchen. When you clean sheets and towels, please use the program 'Daily' on 60 degrees.

Please sort your waste

- Paper, clean plastic and residual waste is sorted in separate bins, both in the apartment and in container. Residual includes food waste.
- You will find the key for the bins on the wall in the first floor on each side of the apartment building (see image next to map).
- Glass and metal – public containers (market with 'R' on map)
- Hazardous waste – red box in the basement
- Please let us know if you have any waste that doesn't fit these options.

DEPARTURE CHECK LIST

FIRE INSTRUCTIONS

In apartment building (gym)

Please make sure to read the instructions available in the apartment.

In studio building

If the fire alarm goes off in the main building, please exit the building. The alarm central is located on the first floor, and you might meet other people here on your way out - if there is no actual hazard they will tell you (most often it is a result of cooking in the kitchen).

Be aware that LKV has the local 'plane alarm' (flyalarm) located at the loft. This is tested now and then, and is very loud. The test is always at 12 pm and the signal they are using means 'turn on your radio to get information'.

In case of emergency:

Fire - call 110 • Police - call 112 • Ambulance - call 113

Accident and emergency department - call 116 117
